## Features

Features	Safe to use on the stove, in the oven, in the microwave and under the grill. All pieces can be used over direct gas, on the barbecue and even on an open fire. Dishwasher safe.
Composition	La Chamba is traditionally moulded by hand from coarse dark grey clay and coated in a fine terracotta glaze. After drying in the sun, the surface is polished with semi-precious stones to give the cookware its natural patina. As you would expect, colours and shape variations are typical of a hand-crafted product.
Colour	Black.
